

Diploma In Software Engineering

Finstock Evarsity

Course Specifications

Mode of Study : Online study mode

Location : Nairobi

Duration :

Course Summary

SEMESTER I

Module I

DSE001:Communication & Investigation
DSE002:Organization Theory - Portfolio
DSE003:Computer Graphics
DSE004:Procedural Programming
DSE005:Systems Analysis
DSE006:Data structures & algorithms

SEMESTER 2

Module II

DSE007:Object-oriented - programming - PHP
DSE008:Digital Communications
DSE009:Object-oriented - programming - Java
DSE010:Multi-media applications
DSE011:Windows Operating System
DSE012:Visual Basic, C++

SEMESTER 3

Module III

DSE013:Engineering Statistics
DSE014:Data Warehousing I
DSE015:Business and Professional Speaking
DSE016:Biomedical Informatics
DSE017:Data Warehousing II
DSE018:Linux Operating System
